Model SAC-110

12-Volt Accessories

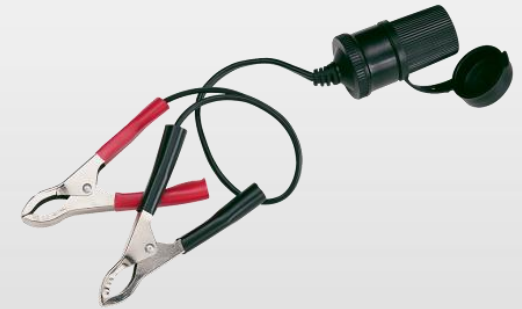

Model SAC-101

- 12V Fused Dual Socket Adaptor
- Plugs into 12-Volt power receptacle
- Instantly doubles any DC outlet
- Includes protective covers
- Dimensions – width 4-1/4”, depth 1-1/4”, height 9-3/4”

Model SAC-102

- 12V Fused DC Extension Cord
- Plugs into 12-Volt power receptacle
- 6-foot coiled cord
- Protective end cap included
- Dimensions – width 5-3/4”, depth 1-1/4”, height 10-1/4”

Model SAC-103

- 12V Socket with Battery Clamps
- Provides a 12-Volt DC power outlet by clamping to your 12-Volt battery posts
- Includes protective cover
- Dimensions – width 4-1/2”, depth 1-3/8”, height 9-7/8”

12-Volt Accessories

Model SAC-104

- 12V Fused Dual Socket Adaptor
- Plugs into 12-Volt power receptacle
- Instantly doubles any DC outlet
- Convenient 90° swivel for easy accessibility
- Dimensions – width 5-1/2”, depth 1-1/2”, height 9”

Model SAC-105

- 12V Fused Triple Socket Adaptor
- Plugs into 12-Volt power receptacle
- Instantly triples any DC outlet
- Long adaptor plug for added convenience
- Battery Checker LEDs
- Dimensions – width 6-1/8”, depth 1-1/2”, height 8-1/2”

Model SAC-106

- 12V Fused Triple Socket Adaptor
- Plugs into 12-Volt power receptacle
- Instantly triples any DC outlet
- Convenient 90° swivel for easy accessibility
- Dimensions – width 6-1/8”, depth 1-1/2”, height 8-7/16”

12-Volt Accessories

- 12V DC Male-to-Male Connector
- Extendable cord allows flexible connection
- 4-foot straight cord
- Durable plugs keep connection secure
- Dimensions – width 5-7/8", depth 1-1/16", height 10-3/8"

Model SAC-109

12-Volt Accessories - Fans

Model SAC-401

- 12V Oscillating Fan
- Plugs into 12-Volt power receptacle
- 5-foot electrical cord with cigarette lighter plug
- Includes mounting hardware and instructions
- Oscillating switch
- Dimensions – width 8-7/8”, depth 7”, height 12”

Model SAC-404

- 12V Portable Fan
- Plugs into 12-Volt power receptacle
- 5-foot electrical cord with cigarette lighter plug
- Mountable with built-in heavy duty clamp
- Two speed with on/off switch
- Dimensions – width 9”, depth 6-7/8”, height 12”

12-Volt Accessories – Work Light

Model SAC-505

- Plugs into a 12-Volt power receptacle
- On/Off switch
- Flexible neck allows light to be aimed where needed
- Dimensions – width 4-3/4", depth 1-5/8", height 9-3/4"

Model SAC-519

- Convenient 23-inch long flexible neck
- Plugs into a 12-Volt power receptacle to provide portable light anytime
- On/Off switch
- Dimensions – width 4-7/8", depth 1-3/4", height 14-3/4"

Model SAC-503

- Magnetic strip holds to metal surface
- Pistol grip with convenient On/Off switch
- 5-foot cord with Power Source Plug Adapter
- Hardened plastic construction for durability
- Bright halogen beam illumination for best visibility
- Dimensions – width 6-3/4", depth 3-3/8", height 11-1/2"

Model SAC-514

- 15 Watt Light
- 12-foot cord with 12-Volt DC plug and battery clip
- Plugs into 12-Volt power receptacle
- 12-foot cord allows maneuverability
- Extra bright light
- Includes hook and stand
- Dimensions – width 4-1/4", depth 1-7/8", height 25-3/4"
